The Art of Conscious Creation

Making Miracles in the Field where Soul meets Source

There is a vast, infinitely expanding energy field from which springs forth all of creation.

It is sometimes known by the names Creator, God, the Universal Field, All-That-Is, One Love and Source.

Each of us has a direct connection to this vastly intelligent web of life.

In this powerful, life-changing workshop, you will learn the tools to open your Divine Connection and plug directly in to the infinite energy of Source:

- ✧ Learn the easiest route to deep meditation
- ✧ Send Healing Energy in person and long distance
- ✧ Receive Psychic Messages for you and others
- ✧ Discover spiritual tools for 2012 and beyond
- ✧ Experience for yourself true unconditional love

Testimonials:

"I am so blessed to have experienced your beautiful energy, heart and open love." - K.A.

"Your ability to see goodness, power, possibilities in people is amazing. Today I was able to give myself permission to access all those things within myself." - M.L.

"Much gratitude for your ability to illuminate the happiness within me." - Y.J.
