

# 'Self Healing'...

## The New Health Science™

**Discover the 3 Sacred Keys to better Health,  
more Energy & much happier Relationships**

Join us for a full evening of fun, deep awareness and live demonstrations of why you are in the shape you are in.

Together we will explore  
face reading, the power of body language  
and how to release the energetic blockages  
that manifest as dis-ease.

Empower yourself and others by understanding the deep connection between Mind, Body and Soul.  
Discover how you can be empowered by using simple tools to experience greater self confidence, self love, self respect and peace of mind.
