Exploring your Soul & Personality Rays Workshop

“What lies before us and what lies behind us are small matters compared to what lies within us. And when we bring what is within out into the world, miracles happen.”

Henry Thoreau

“Each of us is meant to have a personality all our own, to be what no other can exactly be, and do what not other can exactly do.”

William Channing

THE SACRED KEYS TO UNDERSTANDING YOUR SOUL'S PURPOSE

Do you consciously recognize or acknowledge that you have a specific life purpose? Your subconscious understands what you are here to do. This is your Soul's innermost longings. The call of your destiny manifests as your deepest desires and abilities—the hidden forces behind your personality. This drives and shapes your career, your relationships, and influence the quality and direction of your life.
